**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My wife and I are seniors on a limited fixed income and live in a rural area of Sonoma County, CA. We are lucky to have a DSL copper line bring Wi-Fi to our home. It is not very fast but at least it brings the broadband service to our home and connects us to the internet.

I have contacted all of the large telephone and cable companies for a faster internet option and have been told they cannot help me in the rural area I live in.

Please do not cut off my DSL broadband line to the internet.
